

GREEN WARRIOR®

ABOUT US

Green Warrior® is an innovative staffing company providing a wide range of services such as Contract staffing, HR consulting services, Payroll Service, Statutory Compliance Services. Being an ISO-certified government organization, helping its customers with top-tier and reliable solutions.

We offer complete recruitment services to the business world as it is a greater need to engage qualified personnel from entry-level to managerial hierarchy. To support

all business needs and minimize the complexity of recruiting suitable candidates of all levels, we defined and refine our staffing process to hire both skilled and non-skilled workforce that exactly matches our customers' criteria.

Our Recruitment funnel starts from deciding the location with more candidate population for specific designation and later we analyze and scrutinize our search to shortlist the perfect labor for matches the needed profile issued from the client organization. We also help in building statutory compliance for the manufacturing company.

MISSION

We focus on delivering all aspects of human resources and navigating the organizations to acquire the best workforce without going through the complex screening and time-eating recruitment process.

VISION

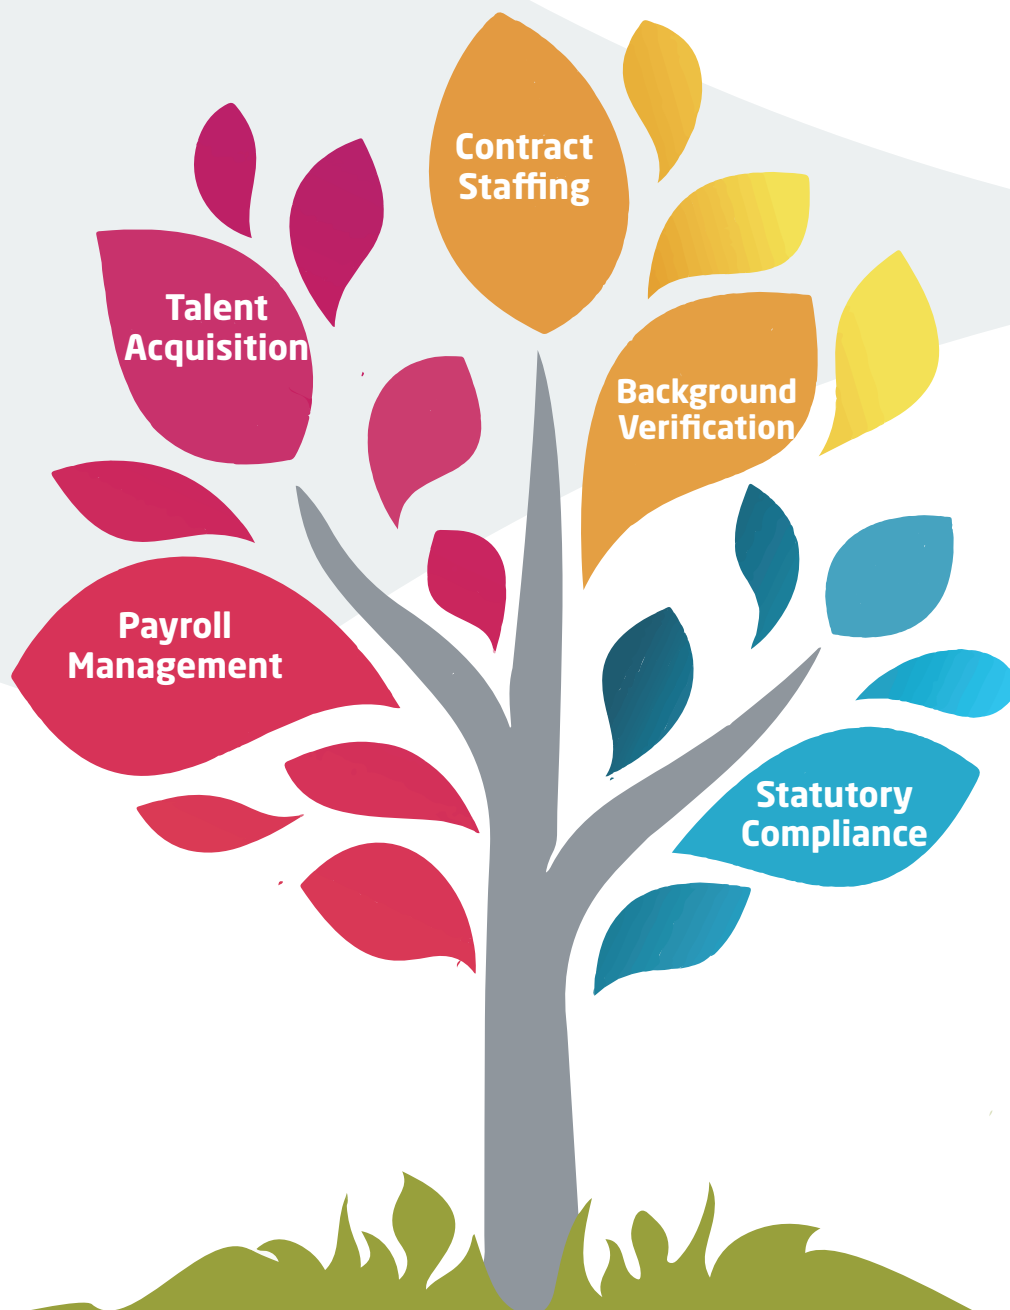

We are hoping for consistent growth of the industries by partnering with them to render effective production and recruitment solutions with our proactive and strategical approach.

HR CONSULTANCY SERVICES

Human resources are the pillar of the company to attain success and achieve estimated profit or growth. It is always a most challenging task for any company to select a qualified and experienced HR team. The HR team is the main source to ensure the successful running of any business and handles complete management from recruiting the candidates to finalizing the payroll. This implies that you need the most productive and intellectual HR team to evident the progression. If you're searching for the right HR team for your company, our team of expert HR consultants can offer professional and value-added solutions to your business.

OUR GREEN WARRIOR® HR CONSULTANT SERVICES

CONTRACT STAFFING

When any Industries need an immediate hire for short-term work or workforce on a contractual basis like fixed-term or project-based, Green Warrior® can deliver the right talents or labors who are pre-verified and went through a complete background screening by revealing their identity and recording their ID proofs and other required details to avoid scam or fraudulent activities.

As workforce dynamics change regularly compared to the job market a few years back, the organization needs assistance for the short-term to complete a particular project or to deal with some technical concepts which might be a one-time implementation. Nevertheless, of company size or aspects, we offer seamless temporary staffing services to all businesses. We are providing comprehensive staffing solutions to address the complex workforce challenges faced by organization in signing up the contingent staffing.

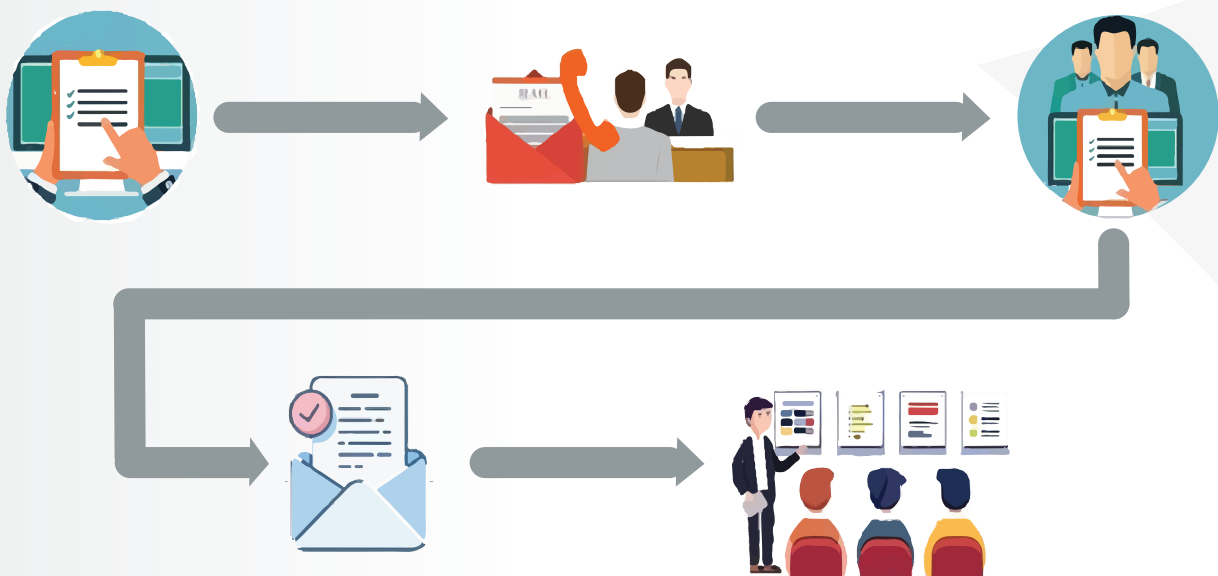

TALENT ACQUISITION
